No. IT/CU/RAPDRP- Team /2009-10/300

Note to the Chief Engineer (HRM)

Sub: RAPDRP works – Formation of a pool of resource personnel – nomination called for

Ref:

KSEB have decided to implement distribution modernization program in 44 towns & SCADA / DMS programs in 3 major cities (Thiruvananthapuram, Ernakulam, Kozhikode) of the state under RAPDRP scheme of Ministry of Power, Government of India.

As per the guidelines of Ministry of Power, Govt. of India, these works are to be implemented on turnkey basis, KSEB requires a dedicated team to ensure that the project is executed in the best interest of the board. The team will be working as a shadow team with the IT implementation agency and will further be in charge of maintenance, modification, customization etc. of the software and hardware.

The project includes the following:

- A. Installation, commissioning, operation & maintenance of
 - a) Data Centre / Data Recovery Centre
 - b) Customer care centre
 - c) GIS mapping of assets & network
 - d) GIS based network analysis
 - e) Automatic Meter Reading
 - f) VPN connectivity to all offices for intranet.

- B. Software's for the following
 - a) Energy audit
 - b) MIS
 - c) Asset & Mace management
 - d) Meter data acquisition

- C. SCADA / DMS

It may please be noted that KSEB have good number of experienced professionals willing to contribute to the project. These employees can be identified, trained & posted at respective offices to take responsibility of the successful implementation of the project & operations in post AMC period, thereafter.

The data base of the employees has to be collected through the heads of offices as per the annexure enclosed, for forming a pool of resource personnel.

The employees may be asked to fill the enclosed format, attach detailed CV's & submit through their controlling officers to Director (IT). The matter may please be brought to the notice of representatives of employees also. The information is also being posted in the website of KSEB
